

# Paths Project Report at Tuesday 6th December 2016

Green Squares on map below indicate 10 locations where repairs completed and no further attention necessary at present. Most worst points completed.

Red numbers at 8 locations indicate number of gravel bags at each ready to spread when conditions are right.

Blue hexagons are 4 minor locations where, for security reasons, gravel delivery will not be made until surfaces ready for spreading.

## Statistics

430 bags and 6 cubic metres of woodchip totals received. Cost to FSW after grants and gifts = £ 282.00. Cost if all paid for at list prices = £1012.80

249 gravel bags spread, 140 bags at locations awaiting spreading.

41 bags of gravel and circa 1.2 cubic metres of woodchip in store at Field 1 for remaining 4 minor points and patching.
